NEGM2022

1st North Egypt Gastroenterology Meeting

(In depth Gastroenterology)

Dear Colleagues,

It's our pleasure to invite you to the first annual North Egypt Gastroenterology Meeting (NEGM 2022). NEGM is a specialized meeting gathering top experts in Hepatogastroenterology and Gastrointestinal Endoscopy from Egypt and other countries. The two-day conference will cover important practical topic in digestive disease presented and discussed by the most influential faculty. The main theme of NEGM2022 is (In-depth Gastroenterology) reflects how the scientific program will dive inside and explore the cutting-edge knowledge and practice to offer a fresh and updated guidance to all attendees. There will be a mix of lectures, panel discussions and industry symposia that will satisfy your needs.

Join us for a new experience and an enjoyable scientific landscape.
